Kids Party Sorted!

There's nothing better than a party with a healthy dose of competition thrown into the mix.

Our kids' birthday packages include an hour of bowling (tenpin or duckpin), a drink, and a meal from our kids' menu.

And you'll have a dedicated party host too, so all you'll need to do is buy yourself a vat of wine from the bar and drink your way through the chaos.

The Games

TENPIN

Nothing really needs to be said about this one. You know the deal. Ten pins. One ball. One hell of a good time.

DUCKPIN

The best game you've never heard of. It's a variation of tenpin bowling: fatter pins, smaller balls and you get three chances to knock the pins down instead of two cause it's a little harder than tenpin. In the hundred plus years since the game was invented, no one's ever officially scored 300. Will you be the first? Probably not, but never stop dreaming.

Duckpin Bowling is slightly harder than Tenpin Bowling, and there are no bumpers or slides, so we only recommend this option for children age 7 and over.

Party Menu

Our menu's a gourmet take on classic diner grub and we've adapted it for kids.

Testimonials

I wanted to take a moment to express our sincere thanks to you and your team for such a wonderful party on Saturday. Isaac and his friends had the best time and I can honestly say that the party was possibly the least stressful kids party we have had!

Our server was brilliant and worked so incredibly hard. The kids devoured the food and we will definitely be recommending you guys to all our pals and hopefully return for some family fun too.

It is a brilliant place and so much fun! Alice and Lois looked after our birthday party booking very well and I highly recommend Strike as a fab place for a children's birthday party.

I just wanted to send my thanks to the team at Strike for being so fantastic on Saturday. Particular thanks to our party host (I think she was called Lois) who was absolutely fantastic and so helpful.

The girls had the best time and everyone at Strike was so helpful, especially with the dietary needs we had.

Matilda, the birthday girl, also especially appreciated the sparkler for her cake. Huge thanks again

Hosted our sons 8th birthday here on Saturday and couldn't recommend it enough! The Staff were fantastic both in the run up to the event and the day itself!
