# THE GAMES

## TENPIN

Nothing really needs to be said about this one. You know the deal. Ten pins. One ball. One hell of a good time.

## DUCKPIN

The best game you've never heard of. It's a variation of tenpin bowling: fatter pins, smaller balls and you get three chances to knock the pins down instead of two cause it's a little harder than tenpin. In the hundred plus years since the game was invented, no one's ever officially scored 300. Will you be the first? Probably not, but never stop dreaming.

## TECH SHUFFLEBOARD

Choose from four different games and glide your pucks to victory on our world class maple wood shuffleboards. If you've never played it before, there's a good chance that shuffleboard's going to become your new favourite game. It's addictive as puck.

## TECH DARTS

Infused with state-of-the-art tech, our darts boards do the scoring for you, so Steve from accounts won't be left to do the maths... Again. The scoring monitor will guide you, arrow by arrow, through a variety of unique games, leaving you more time to fulfil your lifelong dream of drinking as many beers as you can in 60 minutes. Britain's oldest surviving pub game meets Britain's oldest brewery. It was surely meant to be.

# DRINKS PACKAGES

Our menu's packed full of inventive cocktails, locally-sourced craft ales and tank-fresh lager that comes straight out of our shiny copper beer tanks. If you're going to have a hangover in the morning, you might as well make it count.

# TESTIMONIALS

Thank you Strike for an incredible evening. The food was fantastic, the service was sublime, and the atmosphere was electric! I'm sure we'll be back soon!

I visited Strike with a group of 8 on Saturday for bowling. Staff were really helpful and were always nearby if we wanted to order any food or drinks. Service was fast and we were able to easily get a table after our game. I would highly recommend Strike to others!

**5 Star Google Review**

We came to Strike for a staff outing and it was a great experience! The staff were very welcoming and friendly, which brought a great atmosphere.

The services provided were first class, the food especially was delicious! This event was a great way to spend a day with colleagues, coming together and socialising.

As a result of our great experience. I would highly recommend Strike for various audiences to go and experience this electric environment.

You will not be disappointed, that's for sure!
