WELCOME

Got a work summer party on the horizon? Planning a team-building day? Or just looking to treat your hard-working team to something a bit special? Whatever the occasion, nothing brings people together like a healthy dose of competition.

We also know meetings are a part of the deal—so why not let us help with that too? Host your meeting in the morning, and once the important stuff is done, your delegates can dive into the fun. Think epic games, mouthwatering food, and a lineup of lavish cocktails, tank-fresh lager, and locally brewed craft ales to keep the good vibes rolling.

By Monday morning, the only thing anyone will be talking about is your legendary event—the one that perfectly balanced business and pleasure. And guess what? You made it happen. Take a bow, you genius.

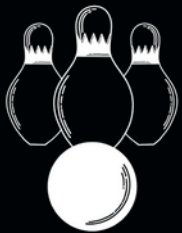

THE GAMES

TENPIN

Nothing really needs to be said about this one. You know the deal. Ten pins. One ball. One hell of a good time.

DUCKPIN

The best game you've never heard of. It's a variation of tenpin bowling: fatter pins, smaller balls and you get three chances to knock the pins down instead of two cause it's a little harder than tenpin. In the hundred plus years since the game was invented, no one's ever officially scored 300. Will you be the first? Probably not, but never stop dreaming.

SHUFFLEBOARD

Choose from four different games and glide your pucks to victory on our world class maple wood shuffleboards. If you've never played it before, there's a good chance that shuffleboard's going to become your new favourite game. It's addictive as puck.

DARTS

Infused with state-of-the-art tech, our darts boards do the scoring for you, so Steve from accounts won't be left to do the maths... Again. The scoring monitor will guide you, arrow by arrow, through a variety of unique games, leaving you more time to fulfil your lifelong dream of drinking as many beers as you can in 60 minutes. Britain's oldest surviving pub game meets Britain's oldest brewery. It was surely meant to be.

TESTIMONIALS

We had a really fantastic evening, the team here have all given great feedback, and the bar staff / team that you have are all really lovely. Thank you for everything, it worked out perfectly. I especially appreciate everything you did put in place ahead of the day, to make the event so run so smoothly, it was a definite success.

We held our staff summer party here for around 200 members of staff and every bit of the process running up to and the event was amazing. The team, especially Alice Piccinin went above and beyond to make sure we had a great time. They really made our staff party special for us and we would 100% come back again!

Just a note to say a BIG THANK YOU to you and all of the team at Strike for last night's MJ showcase!

The service, the attentiveness, the food, the games, the drinks... Everything was excellent. You are a great team.

My guest Danny and I had a wonderful time. So much fun!

You were the perfect host, Alice. Patient, fun, welcoming and very generous with your time! I'm sorry that we kept you much later than anticipated.

I will keep Strike in mind as a potential venue for any future company social.
